## Register your nonprofit to be a part of the 1st Annual Napa County Nonprofit Fair!

**Coffee - Food - Music - Community members looking to engage**

Center for Volunteer & Nonprofit Leadership (CVNL) is partnering with Napa Valley Community Housing (NVCH) and The Oxbow School to produce the Napa County Volunteer Fair on Saturday, August 5th, 2017.

This collaborative event will provide an opportunity for individuals to connect with local nonprofit organizations one-on-one. The Fair expects to showcase a diverse range of local nonprofits and government organizations representing different community impact areas — from housing, to education, to the arts, and more!

The Fair will draw a varied group of people who are passionate about community service. Everyone is welcome to come stroll the beautiful grounds at The Oxbow School and learn about volunteer opportunities and general information about the amazing work nonprofits are doing in Napa County.
